**What they're saying about Daniel:** *"What we have in Daniel Biss is someone who's so committed to doing good for ordinary people in our state, to really making a difference. But that quality is not often combined with being a really great organizer. And when you get those two things together, I believe that we really have a winner." – Rep. Jan Schakowsky*

Paid for by Daniel Biss for State Representative. A copy of our report filed with the State Board of Elections is (or will be) available for purchase from the State Board of Elections, Springfield, Illinois. State law requires us to report the occupation and employer for donations over \$500. Congresswoman Schakowsky is not asking for funds from corporations, labor organizations, or other federally prohibited sources.
